2019/20

OXFORD
HARLEQUINS RFC

Message from our Director of Rugby

"Thank you for your interest in sponsoring a player at Oxford Harlequins for the 2019-20 season. We are excited about the upcoming season, the club is moving from strength to strength with superb new facilities and is the highest-ranked club side in Oxford and its environs, playing in the Wadsworth 6X South West Division at Level 6 in the RFU league structure. We're excited about the journey ahead and would like to invite you and your company to join us as we begin our campaign. We have a superb group of talented young players who will be worthy of your support, they have committed themselves to the highest standards on and off the field and have themselves redefined the club's values, "Belief, Family and Professionalism". There's never been a better time to join the Oxford Quins family and on behalf of the players I'd like to extend a warm welcome and our gratitude you for your support."

Gold Player Sponsorship

The £200 player sponsorship package will be used to provide travel, insurance, fees, and training/warm up kit for the players for the entirety of the 2019/20 season.

In return you and your guest will be able to share in the team's success by attending **two** pre-match sponsors' lunches, where you can soak up the pre-match atmosphere and the post-match hospitality that rugby always provides. These are always great opportunities to network with the ABC1's that all businesses like to target. Furthermore, we will add your company's details to the player profile in the 2019/20

match programme place your company logo and details below your sponsored players profile in the club entrance and have your company's details alongside the players picture in the rolling video that will run in the clubhouse before every game. Our social media channels provide you with opportunity to see your company name getting out to a reach of over 30,000 followers and supporters via our website, facebook page, instagram and twitter accounts.

Platinum Player Sponsorship

The £300 player sponsorship package provides all the benefits of the Gold package. In addition you will be invited to attend **two additional** pre-match lunches as Platinum Sponsors and will be listed in our program as Platinum Player Sponsors.

You will also have the opportunity to carry out two co-ordinated marketing campaigns of your company's products and services to our member and supporter database via our email marketing, facebook, twitter and instagram channels, providing you with reach of 1000s of potential new customers in the region. In recognition your sponsored player will receive an additional kit voucher to be used in the club shop.
